1. Print this form. This will be the actual certificate you will gift.
2. On the certificate below, where you read "To" and "From" fill in the proper names.
3. Decide on the denomination you would like the certificate to be for (\$25.00 minimum). Write that number in words (like you would a check) on the second line next to "Amount".

5. Cut along the dotted line below and present gift certificate to your BMW Motorcycle enthusiast. (Maybe find a nice envelope or decorate the outside for added effect.)
